EASTERN TRUCK
PARTS AND SERVICE

BIG NEW SLAB

We currently have site works underway for a new slab of concrete. As we continue to grow, we needed a smoother spot for trucks lined up waiting their turn to get into the workshop.

It also gives more room for turning around those massive trucks of yours!

BASIC STEERING BOX REMAN / RESEAL

From just \$1300*

Ask about these today!

We also have Sheppard, TAS & DAF seal kits available.

*Based on the condition of box provided

*Machining & crack testing extra

*Prices plus GST

CONGRATS INDY

We recently celebrated with Indy, who has now qualified as a COF B Inspector!

Indy now adds another team member who can inspect heavy vehicles over 3,500kg, meaning both COF lanes can run seamlessly.

Now doing WOF's for our customers!

WE NEED YOU

We're currently undertaking a customer survey to make sure that we're serving you the best we can. From having the right parts, to providing the right services, we need to know your thoughts.

Customers will receive a survey link in their email inbox in the next few weeks. If you get it, we would really appreciate the feedback. Thank you!
